

Hello Parents and Students!

Welcome to our Confirmation Class! Please keep this as a point of reference but I will be reminding and updating each month as things may change slightly.

Classes will be twice per month, built around some Holidays and other events or service work.

Assignments will be expected to be done in between class times. While I would not call it “homework” – there will be expected items due and time spent outside of class focusing on their personal preparation for Confirmation.

We start the year off with a retreat in the fall. This year we will ALL be attending the DIOCESE sponsored retreat. This is an amazing experience and I know your child will be blessed and inspired.

My main form of communication is EMAIL and the REMIND APP.. I will also be handing out ANY important updates at class on BRIGHT paper and tell students to GIVE TO THEIR PARENT – so please ask them!

Curriculum used will be *Confirmed in the Spirit* and supplemented with *Decision Point* and we will be explore the Mass with the *Altaration* series from Ascension Press

Group activities and off-site service projects will be determined within each month and may include projects in Adrian or local prayer walks, but I am open to your suggestions and would need help with transportation. I do not set a “required” community service, but I ask your student be in attendance at all classes and service work with an acceptable reason why they could not make it. This schedule is put out in advance time to change plans. Should your student be absent or sick, I will reach out with the assignment via Remind or email to be caught up by next class time.

Confirmation is planned for Thursday, May 8 at 6:30 p.m. at Sacred Heart. This is the date set the Diocese and the Bishops’s schedule. We will have our confirmation with the Adrian, Blissfield and Shrine parishes at Sacred Heart. **PLEASE look ahead to determine you have no major conflicts with this date.**

Lastly: Sports. I realize it is important and a commitment, but Confirmation is a one-time Sacrament that should take president over other events this one year of their life. Their faith will sustain them through life; not a single game of any sport will do that. I will consider moving a class due to a major school event as they are communicated to me (homecoming, spring break, play, etc.).

I look forward to helping your child in this Sacrament of Faith; to prepare them for their role in the Catholic Faith and take the next step as a leader for Christ.
